Family Referral Incentive Policy

Immanuel Lutheran School recognizes that the best source of recruiting new families to our school is our existing families. So once again, for the upcoming school year (2016-2017), the following incentive policy will be in place to reward those families recommending our school to family members and friends.*

If a current Immanuel family refers a new family (new family is defined as not having a student at our school for the last two years) that family will receive an educational fee credit.

***\$100.00 for each new full-time family brought into our school grades 5K-8.**

***\$50.00 for each new part-time (grades 3K-8) family brought into our school.**

Student(s) must maintain enrollment for the full school year. If student is enrolled only for part of school year, a prorated discount will be given

Please fill out the coupon below upon recruitment of a new family and return it to the school office.
