## Registration for 2017-2018 School Year

The 2017-2018 school year will be an ambitious and exciting year for Immanuel. Considering the recent events in the public school arena, we know this is a great place for your children to be receiving their education. We are very blessed to be a small school with a big heart, and maintain a family atmosphere. Family is what it is all about here at Immanuel and we need each family to help us continue toward our vision of “Building Faith in Christ One Child at a Time.”

**As has been previously published, this year our registration procedure has changed.** If you have not already, to pre-register your children for the 2017-2018 school year, please log into your Fast Direct School Information System (SIS) account and on your home screen scroll down below your email to the report card/progress report box. The registration section will be in red. Please click whether your child/ren will be returning to Immanuel. Please then go back up to the top of the home screen, click on “View/Edit Parent Information” and make any updates to your contact information. Please remember to save any changes.

Pre-registering for school allows us to better plan for the upcoming school year as we purchase textbooks, workbooks, art supplies, teacher resources, etc. Also, some items need to be ordered early in the summer to have them here in time for school.

Over 75% of your child’s education costs are covered by Immanuel. It costs well over \$9,000.00 to educate just one child for a year. Our educational fees are very low to help families afford a quality Christian education. When you think about that as an hourly rate, a family pays less than \$1.75 per hour while their child(ren) are in class or approximately \$11.50 a day for education and care. What a blessing!

Immanuel Lutheran will be holding a formal registration day on **August 10, 2017**. On this day, parents will be given the remainder of registration materials, will update student school information, fill out school forms **and have students pictures taken**. Retakes will be in September.

For the 2017-2018 school year, the \$200.00 involvement fee will be discontinued. There will be a \$50.00 per child non-refundable registration fee, payable at time of registration. To deflect this cost, **a 5% discount will be given to those families who pay their 2017-2018 school years educational fees in full by September 5, 2017**. Please see the attached schedule of fees for the 2017-2018 school year. Overall educational fees have not changed.

To help with educational fees, please remember to purchase SCRIP. **90%** of what is spent on SCRIP goes back toward your families educational fees. Scholarships are also available; applications are available in the school office for those families who would like to apply. Deadline for submission is September 29, 2017.

Also, a variety of fundraisers are held throughout the year. Please help us with these ways to fund our programs with volunteering at an event, purchasing or selling items for sale to keep our educational fees low.

Lastly, our Family Referral Credit is continuing this year. If a new family enrolls their K-8<sup>th</sup> grade student at Immanuel due to your recommendation you will receive a \$100.00 credit towards your educational fees. For a K3 or K4 student a \$50.00 credit will be given.

To be truly successful it takes everyone; so please join us for the many activities and fundraisers that 2017-2018 will bring. The quality of today’s education will determine our future in so many ways. Please let your children see how important this school and their future is to you.

Thank you for your support of Immanuel Lutheran School.

In His service,

Heidi A Wallner  
Principal

*\* Please contact Mrs. Wallner if your financial situation is causing you to hesitate from enrolling your child here at Immanuel. It is our desire to make a Christian education available to all families who would like for their children to attend Immanuel. (Scholarship and payment plans, are available)*
