March 10, 2016

Hello Immanuel Lutheran Families:

The 2016-2017 school year will be an ambitious and exciting year for Immanuel. Considering the recent events in the public school arena, we know this is a great place for your children to be receiving their education. We are very blessed to be a small school with a big heart, and maintain a family atmosphere. Family is what it is all about here at Immanuel and we need each family to help us continue towards our vision of One Focus, One Family.

So, we invite your family to return to Immanuel. Attached to this letter are the registration forms for the 2016-2017 school year. It would be very helpful if you would fill out and return these forms by April 29, 2016. Pre-registering for school allows us to better plan for the upcoming school year as we purchase textbooks, workbooks, art supplies, teacher resources, etc. Also, some items need to be ordered early in the summer to have them here in time for school. As you review the registration packet, you will notice a few changes. **New this year, we have condensed our registration form. All children, in one family, can be registered on one application form.**

As you consider registering your child here are some things to keep in mind. Over 75% of your child's education costs are covered by the Immanuel Lutheran Congregation. It costs well over \$7,000.00 to educate just one child for a year. Our tuition rates are very low to help families afford a quality Christian education. When you think about that as an hourly rate, a family pays less than \$1.75 per hour while their child(ren) are in class or approximately \$11.50 a day for education and care. What a blessing!

To be truly successful it takes everyone; so please join us for the many activities and fundraisers that 2016-2017 will bring. The quality of today's education will determine our future in so many ways. Please let your children see how important this school and their future is to you.

Also, our Family Referral Credit is continuing this year. If a new family enrolls at Immanuel due to your recommendation you will receive a \$100.00 credit towards your educational fees.

Thank you for your cooperation with our mission of Building Faith in Christ One Child at a Time.

In His service,

Heidi A Wallner
Principal

** Please contact Mrs. Wallner if your financial situation is causing you to hesitate from enrolling your child here at Immanuel. It is our desire to make a Christian education available to all families who would like for their children to attend Immanuel. (Scholarship forms, and payment plans, are available)*
