Before & After Care Parents:

Before & After Care is available to parents who need childcare for their students outside of school hours for 6:30 am – 8:00 am and after school until 5:30 pm. Should you need childcare please be sure to contact the school office as soon as you know you are needing care or are no longer needing care, so that we can be sure we have staff when you need it. Please include a start and stop time. **Parents remember you may be still charged for time where your child is not in before & after care but has been scheduled as needing it.** Child care agreements are available in the school office to sign up. Remember also, our program runs through payments made to the program Thank you for helping us to keep this program running smoothly.

School Safety

Parents please remember that the school building is locked at all times for security purposes, and students will be waiting outside until 8:00 am, when they will be let in. Should you have business in the school office, please come inside, otherwise we ask that parents and students wait outside until the bell sounds. Thank you for your cooperation in giving our teachers time to prepare for class before the school day begins.

Hot Lunch Reminder

Just a reminder that lunches and milk can be ordered 1 month at a time, the system closes the night before, and does not allow changes or ordering the morning of that days scheduled lunch. Please call the school office should you need to make a change after the system closes. Also, as a reminder, lunch includes milk, should you click lunch and milk in the system, your child would receive 2 milks. Please keep that in mind when ordering. Should anyone be having problems, or has any questions about the new system, please feel free to contact us in the school office. We would be more than happy to help you through the process.

Lunch Donations Needed

School is in full swing and for the most part, things are going smoothly. Sometimes however, we have problems with student lunches. Whether it is the lack of a call from a parent whose child is going to be late or an error made in the office or the classroom, every once in a while we miss a lunch. We are hoping to supplement our lunch program with some quick lunch items for those times. We are looking for jelly, bread, individual size microwave meals (mac n' cheese, spaghetti-o's, etc.), single serving fruit or vegetable cups, single serving applesauce and granola bars. Please no nut items. Thank you for your generosity!

REFORMATION SERVICE

The annual Service to celebrate the Reformation heritage, that in Christ alone there is salvation-by grace alone, through faith alone, on the basis of Scripture alone, will be held Oct. 30 at 3:30 p.m. at the Stefanie H. Weill Center for the Performing Arts, 826 N. 8th St., in downtown Sheboygan. The Rev. Dr. Daniel Gard, President of Concordia University Chicago will be the speaker.
